GIVEAWAY HAS ENDED

Dei Fratelli is a fourth generation, family-owned company. They take a great deal of pride in knowing that their products are made of the finest ingredients possible and that their tomato products are grown from seedlings that they cultivate themselves. Dei Fratelli products are more than just rich, robust flavors ... They're products that bring families together.

I love Italian Food! We eat it a few times a week! I make pretty darned good Italian food if I do say so myself, but I like a shortcut every once in a while! When I reach for a jar of sauce, I like Dei Fratelli! It tastes homemade and they have a ton of great products to choose from!

I was Blessed to be able to review a huge assortment of GREAT **Dei Fratelli** products! Deelish!

Sloppy Joe Sauce Try this with Veggie Meat Crumbles! It's fast and easy and so good! The flavor is rich and thick and so hearty!

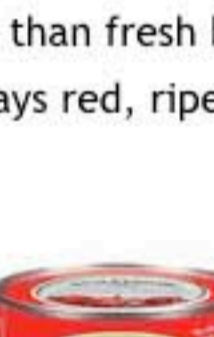

Pizza Sauce quick and easy peasy. On english muffins, on pita bread on store bought pizza crust or homemade, this is Fabu!

Tomato Sauce Great in recipes, soups, stews you name it!

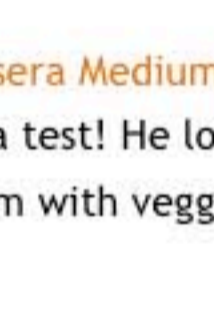

Chopped Italian Tomatoes, Chopped Mexican Tomatoes, Chili Ready Diced Tomatoes and Crushed Tomatoes I use these for everything! I add my tomatoes to soups, pasta dishes, veggies, salsas, rice dishes and more! These are better than fresh because when tomatoes are not in season these are always red, ripe and delicious!

Tomato & Basil AND Homestyle Sauces So good! Pop open the lid and you've got a sauce that's ready to heat and pour over pasta, meat dishes or eggplant! It's thick, rich and hearty! Flavorful? You bet!

Original Salsa Medium & Casera Medium Hot Dei Fratelli Salsas pass the Hubby the Hubster Salsa test! He loves 'em He can go through a jar in a few days! We 'eat em with veggies, with chips, on rice and baked spuds. YUM!

With **Dei Fratelli** everyone can be a Great Italian Cook!
