

Hirzel Canning Company & Farms Charitable Contributions Policy

Overview

Hirzel Canning Company & Farms is dedicated to enriching the quality of life for people in our communities. We are asked to support hundreds of worthwhile charitable causes and events each year. We make every effort to accommodate as many requests as possible. However, due to the number of requests we receive on a monthly basis, we are simply unable to accommodate all requests that fit our criteria and guidelines.

Our Guidelines

- Only 501(c)(3) nonprofit organizations, 501(c)(4) social welfare organizations and 501(c)(6) entities will be considered for charitable contributions, sponsorship, product contribution and volunteer support.
- We will also consider requests to support social, community, civic, educational, diversity, and economic endeavors if these support our business goals and meet contribution guidelines and/or if Hirzel Canning Co. & Farms staff is involved in the governance of the organization.
- All corporate charitable contributions, sponsorships and related services will promote our business goals, create positive visibility, and demonstrate social responsibility.
- Incoming requests for sponsorships, charitable donations, product donation, volunteers, gifts or giveaways, or business courtesies must be made in writing and forwarded to the appropriate individuals for research, review, and final disposition.

Requests Process

- All requests must be submitted in writing to Hirzel Canning Company & Farms with any additional information such as letters, flyers, brochures attached.
